

Expedition Trimix June 20 - 27, 2009

Grand Cayman

For the serious deep expedition diver or Instructor, this new course is available in Grand Cayman this June, taught by Eric Keibler of Oceanic Ventures (Houston) and Nat Robb of Divetech (Grand Cayman). This unique course is hosted at Divetech & Cobalt Coast Dive Resort. The Expedition trimix course will take you diving between 330f/100m and 400f/122m and learn how to manage staging, support divers, bailouts in teams and more.... Here's the details.....
